NO HALF TINES, NO TINE OUTS & NO SUBSTITUTIONS!

THE ORIOLES LADIES SCORE THROUGH THE CHAMPIONSHIP

This volleyball season was special with many highlights to remember. Our players finished the season with winning record of 23-11-2 (3rd most wins in the last ten years). The girls had a memorable time traveling to Southern California and winning the anticipated match against California School for the Deaf- Riverside. ISD also hosted SpikeOut, a National Deaf Volleyball Tournament and we finally captured 2022 Spikeout Champions after more than ten years drought. Gianna Wheeler and Sophia Wascher were selected to Spikeout All-Tournament team. Seanna Baird, our senior Setter, finished her volleyball career with more than 1,000 assists. We then captured the back-to-back-to-back (3 peat) IHSAA Sectionals Champions! Coach Chris Cassel was recognized as NDIAA coach of the year. Gianna, Seanna and Sophia were also recognized as NDIAA All-Americans. The coaches couldn't be more proud of the team this year. We bid farewell to two seniors, Seanna Baird and Bright Dove for their dedication to our volleyball team. *--Head Coach Chris Cassel*

HOMECOMING KING AND QUEEN

KYLE HESS & SEANNA BAIRD

NEWS - FALL RECAP 2022

We had an amazing opportunity to fly to Riverside, California to play two friendly matches against CSDR's Academic Bowl team. It was the first time in ISD history where we had the chance to play against another deaf school outside the regional Academic Bowl competition. After the first match concluded, we ended up in a tie. We played our second match right after, and against all the odds, we also ended up in a tie AGAIN! It was a fun and positive experience for all of us.

- Coach Gabriel Paulone

We had an incredible football season, finishing with an impressive 8-2 record. From the very beginning, our team showed immense determination and passion for the game, and it paid off in every match we played. Our offense was unstoppable, consistently scoring touchdowns and making strategic plays that left our opponents in awe. Our defense stood strong, preventing the opposing teams from gaining ground and ensuring our victories. Each player brought their unique skills and talents to the field, complementing one another perfectly. The camaraderie within our team was palpable, with everyone supporting and encouraging each other throughout the season. We faced challenging opponents, but our resilience and unwavering teamwork propelled us to success. Every practice, every game, and every win brought us closer together as a team, creating memories that will last a lifetime. The dedication and hard work of our coaches and the support of our fans also played a significant role in our triumphs. As we look back on this season, we are filled with pride and gratitude for the experiences and accomplishments we shared together. It was truly a remarkable football season that will be cherished by all of us involved." - Peter Leccesse

THEY A RUNNER, THEY A TRACKSTAR

THE ORIOLES RAN TO A VICTORY

April 15, 2023, Berg & Seeger Classic had finally returned this year after it was put on hold due to COVID-19, it was hosted by Texas Deaf School. Fifteen Deaf schools participated in the meet. Before we headed to the Berg & Seeger, we had only competed in two meets which were not sufficient for the athletes to be entirely ready for the big tournament. Both ISD Boys and Girls had never won the Berg & Seeger since they started in 2008. Of course, the coaches were extremely nervous as we had hoped our athletes would be more prepared to compete and win the tournament thus ending our curse! The tournament was one of the most exciting and nail-biting competition. During the meet, ISD Boys were leading for first place but some of our athletes were off in their events which took them down. They were not able to maintain their position and won 4th place.They had fought hard, till the end, and didn't give up! ISD Girls were in a heated competition against Florida Deaf/Blind School and FSDB was leading with 4.5 points. Then, at the last event for the 4 x 400 Meter Relay, the FSDB Girls didn't have a relay team for that event, but we did. We took advantage and placed 2nd which gave us 6 points! ISD Girls took the lead and won their first Berg & Seeger Classic with 150 points whereas FSDB Girls got 148.5 for second place. This is a big thrill for all of us! ISD Girls finally ended the curse! Overall, both ISD Boys and Girls played well despite Austin's crazy hot weather. It literally drained their energy and not just us but other teams as well. Again, Great Job Orioles! -Onyemachi Davis

IT'S GOING, GOING...GONE! HOMERUN! WOW! 6TH GRADER, CHANCE RICHIE, hit a homerun vs Bethesda Patriots on May 4th.

THE ORIOLES PLAYERS SWEEP AT **HOY TOURNAMENT**

The Varsity baseball team won the 2023 Hoy Classic Tournament. In a rain-shortened one day tournament, we managed to win both games to capture the Championship trophy. In the first game, we played against California School for the Deaf Riverside, where we allowed them to score the first four runs in the first inning. After the first inning, our defense settled down and we battled until the last inning where we took advantage of their miscues, and we scored 6 runs to earn the victory with the score of 8-4.

In the Championship game, we played under the lights against the host school Maryland School for the Deaf. With great support from our fans, after a bad start, our defense and pitching held the fort for us. In the last inning, our offense finally got a spark and then we never looked back, scoring 10 runs in the last inning to finish the game 13-4 and capturing our 2nd Hoy Classic Championship since 2009. Coaches were very proud of our players for not giving up in both games. As a result of our perseverance, the Championship trophy was well-earned. Nathan Rudik was named MVP. Kyle Hess, Trey Smith, and Tiernan Booth were named to the All-Tournament Team. - Tyler Crace

Five high school students competed in the Optimist Club Essay Competition. The judges selected Seanna Baird and Tyler Wascher as the winners. Each will receive a $2,500 scholarship toward the college of their choice. Congratulations to all participants. Everyone did a fantastic job.

LETTER FROM THE EDITOR

When I joined Yearbook my junior year, I had no clue I would one day become the Editor-in-Chief my senior year. Even then, I could not imagine how much time I would commit to the Yearbook for the next two years. It was a huge responsibility managing the budget, taking pictures, designing the layouts, and picking the themes. This responsibility also involved communicating effectively with the other editors and with ISD staff. This leadership experience with other editors was valuable. My advisers were wonderful and held us to a high standard. I can't summarize all that Yearbook has given me. Yearbook is full of classmates, sporting events, plays, and club activities that become memories we cherish as we grow older. I want to thank each of the editors: You all have done a great job this year and it would not have been done without you! I also want to thank Mrs. Powers and Ms. Saunders, our incredible advisors. You make all of this work. To the parents, students, families, and community members, I want to express how grateful I am to receive your support for our Yearbook this year. It is not an easy task capturing every moment and putting it all in one book. We have worked hard to create something with so much meaning for us and for all of you. With this being my senior year and my last book to work on, I fondly look back on two years of endlessly capturing pictures, memories, and a family in the classroom.

- Love, Seanna
